Dear Supporter,

The Texas Diaper Bank dedicates itself to its mission: to address the diaper gap and its impact on individuals in crisis. The diaper gap is the lack of access to an adequate supply of diapers and healthcare supplies impacting the physical health, mental health, and economic well-being of individuals. To meet this ignored need in Bexar County and twelve surrounding counties, the Texas Diaper Bank must raise not only diapers, but also community awareness surrounding this need.

This year, the Texas Diaper Bank will host a "no-show" gala to dramatically reduce the expenses associated with hosting a traditional gala. Instead of showing up to a luncheon, your organization can support the Texas Diaper Bank's mission without getting dressed or leaving your office; we come to you. This means 100% of your donation will directly provide financial support to providing diapers, feminine hygiene products, and incontinence products to low-income families in Texas.

Following is our sponsorship packet for your review. If your company is interested in sponsoring us, please don't hesitate to call Michael Crittell, Development Officer, at (210) 731-8118 x601. The campaign's success depends on the generous financial support of businesses and corporations, such as yours.

Warmly,

Jorge Medina
CEO

Stephanie Morrison
President
Texas Diaper Bank
